Terms and Conditions

Please read the following terms and conditions carefully before using Keeping You Posted (KYP). By signing this agreement you are accepting the terms and conditions of this contract. "You" means the applicants who sign this application.

General

KYP is a mail redirection service offered to the travelling community to keep them connected with their mail. Under no circumstances will KYP knowingly accept, forward or be held responsible for any illegal, dangerous, stolen, damaged or hazardous mail belonging to or being sent to you. KYP has the right to refuse delivery of such items and cancel the contract immediately with no refund applicable. At all times it is your responsibility to ensure that this type of mail is not forwarded to KYP.

Options

It is your responsibility to choose an appropriate contractual package. At anytime you can 'upgrade' packages by simply advising us and paying the difference in fees. If you wish to 'downgrade' your contractual package then you can do so by providing KYP with 30 days written notice. The difference in fees between the two packages will be added to your mail float, less a 20% 'downgrading' processing fee.

Payment

Payment is required in full and in advance of your departure. This includes payment for the number of months required by the applicable monthly fee plus the mail float indicated. Only once payment has been received in full will you be provided with a unique customer number, website user login and password. We commence charging our fees upon the arrival of your first piece of mail at our office.

Packages are based on calendar months not weeks. For example if you sign up for 6 months on 1 June and the first piece of mail arrived on 4 June, the contract would end on 4 December.

If you wish to extend the contractual period you can do so at anytime by simply advising us of the extension required and sending us the applicable fees. Once payment has been received, the new contractual end date will be updated.

Mail Float

Your 'mail float' is used to pay the costs incurred to send you your mail. These costs will vary each time depending on the location, amount of mail and how quickly you require the mail. Every attempt will be made by KYP to forward the mail by the most cost effective method. Forwarding costs will be deducted from your mail float each time mail is sent. A \$2 sending fee is charged by KYP each time KYP send mail (not for each item).

In addition, the mail float is used to cover incidental costs such as faxing, emailing or uploading documents onto the KYP website, as instructed by you. At anytime, you can request a 'mail float' activity balance statement and KYP will provide one. Statements will be posted under your user login on the KYP website. When your 'mail float' reduces to \$15, KYP will contact you to 'top up' the float to its original balance. Until this balance is topped up, mail may be delayed.

Forwarding Mail to KYP

It is your responsibility to arrange to have all mail forwarded to KYP. KYP takes no responsibility for mail that does not arrive at its office. Once mail is received at KYP, it will be receipted and stored. At anytime you can contact KYP to find out what mail is being stored.

KYP will only accept two (2) applicant names per contract, unless the other parties are immediately related, i.e. Children. Couples travelling together who have different originating addresses must sign up on separate applications. No mail can be opened unless it is in the name of the applicant.

Forwarding Mail to Customers

If mail is requested to be sent to you KYP will send the mail via the most cost effective method available, unless specifically instructed otherwise by you. Mail sent by KYP is not normally sent via registered or express post unless specifically instructed by you to do so. Mail lost in transit is not the responsibility of KYP, however KYP will endeavour to locate the lost items through Australia Post.

Mail will be stored at KYP until you request mail to be forwarded and you provide KYP with a forwarding address. Until such time KYP will continue to store your mail. Subject to the cancellation of this contract.

You can advise KYP where to send your mail via SMS, fax, email or via the website.
